Not sure if its too late for this week; the letter came in late Wed and I didn't think of sending it to you yesterday. Sorry.

On February 8th, MassDEP issued detailed written notice of its determination regarding each of the recommended remedial action alternatives presented AVX Corp in a Phase III Remedial Action Plan submitted under Chapter 21e authority for the former Aerovox facility in New Bedford. Some components of the Plan were conditionally approved and others were denied or found to be deficient by MassDEP. Many of the deficiencies and shortcomings flagged by MassDEP reflected concerns expressed by EPA with regard to coordination with the Superfund cleanup of New Bedford Harbor. EPA is continuing to coordinate with MassDEP on AVX's IRA activities and Phase III under Chapter 21e.
